

## HIGH IMPACT

*Tibor Hollo is regarded as one of the true visionaries of Miami. He, along with his sons, Jerome and Wayne, and grandson, Austin, are cementing that legacy with Panorama Tower, the peak of chic luxury rental living in Miami.*

Located in the heart of Brickell, soaring 85 impressive stories, Panorama is truly a game-changer, as the tallest residential building south of Manhattan. The brainchild of the Hollos and their company, Florida East Coast Realty (FECR), the skyscraper offers endless opportunities for exceptional living. Residents enjoy a wide array of extraordinary amenities, including three movie theaters, a wine tasting room, children's playroom and a state-of-the-art fitness center complete with yoga, Pilates and spinning studios. The project reinforces the Hollos' vision of living, working and playing in the urban core. It is a dream that can be seen throughout their many developments, particularly in the Omni/Venetia area and Brickell Corridor, as well as in the current growth and excitement permeating the areas in and around Downtown Miami. FECR has built in excess of 60 million square feet of single-family homes, landmark residential and commercial high-rises, government buildings, marinas, high-end retail centers, warehouse complexes and telecommunications centers, helping shape the Magic City into what it is today; [PanoramaTower.com](http://PanoramaTower.com); [FECR.com](http://FECR.com).
