We’ve heard it before and it’s even more important in 2020 — There’s No Place Like Home. **Panorama Tower** is a luxurious amenity-filled sanctuary away from everything going on in the rest of the world, with opportunities for residents to enjoy three movie theaters, a wine tasting room, children’s playroom, and state-of-the-art fitness center complete with yoga, Pilates, spinning studios and more. The expansive units feature 9-foot ceilings and floor-to-ceiling windows, offering unmatched, sweeping water views and panoramic views of all of Miami and providing a sense of both freedom and connectedness without leaving your living room. The development provides a community that encompasses everything one is looking for in a home with 1-, 2- and 3-bedroom units ranging from 1,100 sq. ft. to over 2,100 sq. ft., and the project continues to evolve. All this has led to Panorama seeing a rising number of New Yorkers and Northeasterners who are moving to The Magic City in favor of a more welcoming lifestyle; PanoramaTower.com.
