Success living

SKYSCRAPING OASIS

While Panorama Tower's prime location in the heart of Brickell is a huge lifestyle draw, a lot can be said for just staying at home at this amenity-laden icon from renowned developer Florida East Coast Realty (FECR).

WORDS BY SANDY LINDSEY

Millennials and empty-nester Baby Boomers seem to have different views when it comes to just about everything, except when it has to do with luxury apartment living. At Panorama, FECR wanted to deliver much more than a typical rental building — and their team has far exceeded expectations. At 85 stories, Panorama is not just Florida's tallest tower and the tallest residential tower south of Manhattan; it's a vertical oasis of exceptional living, starting with its 3 movie theaters, sports and game rooms, private dining and wine rooms, children's playroom, cyber café and business center, multiple pools, and state-of-the-art fitness center with yoga, Pilates and spinning. Dogtown Brickell, a free-roaming luxury dog hotel, spa and daycare, makes canine residents as welcome as their human counterparts. Purple Orchid offers a wonderful breakfast with smoothies, wraps and much more. Jaxson Maximus combines men's custom clothing and a fine salon in one unmatched location. Plus, dozens of participating local businesses are part of the Panorama Perks program, providing specially-curated offers and discounts for Panorama residents. Add in expansive units with 9-foot ceilings, glamorous water views and dazzling city scenes, and everything you need to live your best life is at 1100 Brickell Bay Drive; PanoramaTower.com.
