Brickell's **Panorama Tower** offers three private movie theaters on-site where residents can screen films of their choice; watch sporting events like the World Cup, Super Bowl and March Madness; or host events from birthday parties to fundraisers, family reunions and more. The theaters are equipped with large screens, surround sound systems, special lighting and high-end plush seating. Residents can enjoy ultra-high-definition visuals and incredible audio right at home, so you feel like you're a part of the action. The adjacent mixing lounge — also perfect for mingling or hosting events — features a microwave, cooler and bar-height stools. Residents can experience the very best of a cinema without the large crowds and soaring costs found at local theaters;
